

Governance Statement 2022-23

The Governors are pleased that the school continues to provide innovative, tailored and effective learning for more pupils than ever with the recent expansion of pupil numbers. The Governors thank and congratulate all the school staff, pupils and their parents / carers on their success this year and we look forward to further achievements next year. We continue as the Governing Board to help develop strategies which will allow more pupils in need to benefit and access the specialist teaching and knowledge Park Lane can offer.

On behalf of Park Lane School Governing Board

Chris Milnes
Co-Chair of Governors

July 2023
