and Success for all**

Park Lane School Policy

Diarrhoea

Your child should be kept away from School for at least 48 hours after the last bout of diarrhoea. You should consult your Doctor if your child has either diarrhoea for more than 6 hours and immediately if the diarrhoea is accompanied by vomiting or fever.

Vomiting

Your child should be kept away from school for at least 48 hours after the last bout of vomiting. You should contact your Doctor if your child is vomiting for more than 6 hours and immediately if the vomiting is accompanied by diarrhoea or fever.
