

CHRISTMAS catalogue of Enterprise Projects

Some classes have been busy making Christmas items to sell for their Enterprise projects.

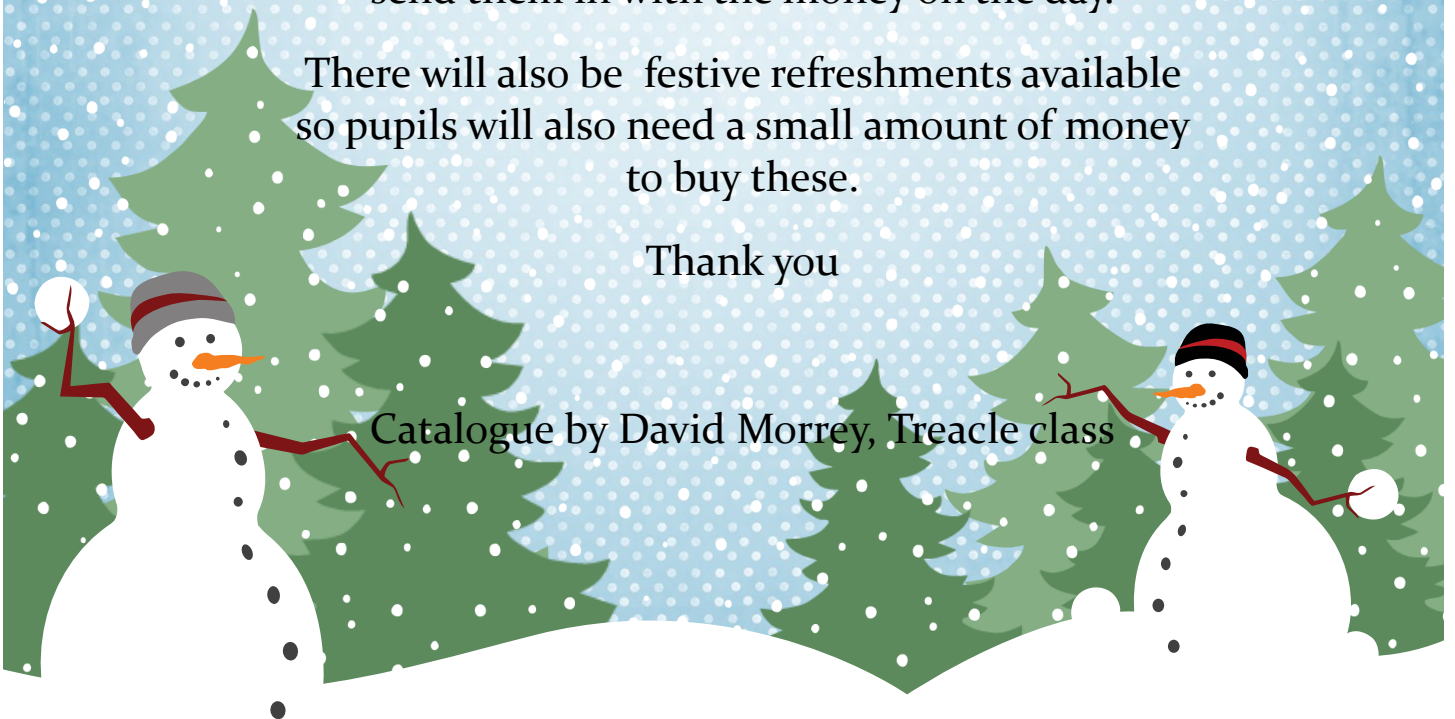

We are having market stalls in school on Wednesday 15th and all these items will be on sale.

Unfortunately, we cannot invite families in to buy the items but you can use this catalogue to choose anything you would like your child to buy and send them in with the money on the day.

There will also be festive refreshments available so pupils will also need a small amount of money to buy these.

Thank you
